### Sustainability policy statement

The Crafthub Community Interest Company is committed to minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Meet or exceed all the environmental legislation that relates to the Company.
- Work towards using an accredited program to offset the greenhouse gas emissions generated by our activities.
- Work with suppliers who have an environmental and sustainable commitment within their own organisation .

Our aims and objectives are to:

- Minimise our environmental impact and deliver community benefits through better selection and improved usage of products and services;
- Foster innovation in our supply markets to increase the availability and effectiveness of sustainable solutions that meet our organisational requirements;
- Encourage our suppliers to adopt practices that minimise their environmental impact and deliver community benefits in relation to their own operations and throughout the supply chains in which they operate
- Work in partnership with suppliers to achieve our common goals and continually improve performance over time.
